The Veneto Tennis Club is pleased to announce their support for an exciting new Foundation that will contribute to the growth of Canadian Tennis.

The On The Rise Tennis Foundation is a newly created non-profit organization committed to supporting Canada's upcoming future stars of the game.

The On The Rise Tennis Foundation provides elite level tennis players who are between the ages of 14 -18 with the support required to invest in all aspects of development necessary to achieve a successful career as a tennis professional. The Foundation offers this opportunity to the athletes chosen to assist with overcoming many of the significant obstacles and travel expenses that often prevent talented players from achieving their true potential.

The On the Rise Tennis Foundation is headed by Veneto's very own Adriano Fuorivia. The selected players are:

Ellie Daniels - competed in the 2022 US Junior Open, 2023 Australian Junior Open and Indian Wells ITF Junior Event

Nadia Lagaev - Girls Under 18 Canadian National Singles Indoor Champion. Member of the Canadian National Junior Team. Competed in the Indian Wells ITF Junior Event

Dani Szabo - #1 Ranked 2008-born junior boy in Canada. Boys Under 16 Provincial Singles Champion. First international points secured at British Columbia ITF

The Veneto Tennis Club is excited to embark on this new journey together with the On The Rise Tennis Foundation.
